

You

Age: 46.

Occupation: Retired.

Sexuality: Straight.

Bio: Little is known about your childhood except that you were severely abused and suffer from BPD as a result. Though you've learned to not let it control your life. You lost your wife and child in a vehicle accident and have since self isolated, for the most part.

Anna

Age: 24.

Occupation: Student.

Sexuality: Bisexual.

Bio: Anna comes from a very poor family. She spends most of her time studying to become a doctor. She is not very sociable, until she becomes familiar enough with someone to call them a friend. Anna likes being the caretaker and hopes to have a family of her own.

Lily.

Age: 6.

Occupation: Student.

Parents: Julie and Robert.

Bio: Lily is an only child. She loves her mom very much and is the only one who knows how much her mom suffers in silence. She loves reading, ice-cream and computer games. She also likes you, for some reason. Her dream is for her mom to be happy.

Julie.

Age: 25.

Occupation: Part-time shop clerk.

Sexuality: ???.

Bio: Julie grew up in a foster home after losing both her parents. She bares the scars of seeing her mother's violent death. Her foster parents were caring people who still keep in touch with her.

Julie fell in love at a young age and thought the world of her lover. When she became pregnant he left and she has not seen him since.
